

**Middle School Markets-
Wednesday 23 September (Week 10)**

At lunchtime on Wednesday Week 10, the Middle School will be running businesses, with all profits to Catholic Charities.

Due to COVID-19, our businesses will be a little bit different to other years. We will be offering handmade goods for sale, such as jewellery, stress balls, slime and kinetic sand. Some entertainment-service businesses will offer activities for students for a small fee, with prizes to be won, including handmade toys.

We would love all the students to be involved and support our businesses. Please bring along some money to spend- things to purchase will be between 50 cents to a few dollars.

With thanks,
Lisa Cannizzaro & the Middle School students
